

Pre-operative Instructions Laser Vision Correction

1. Your surgical procedure will be at Precision Vision on: _____

Your 1-day post-op will be scheduled on the day of your procedure.

2. Make sure that you have filled your prescription for the **Zymar** eye drops and bring them with you on the day of your surgery.
3. You may have a light meal prior to checking in for your laser procedure.
4. Someone **MUST** drive home from the laser clinic on the day of your procedure.
5. You will be given the option of taking **Valium** to help you relax prior to your procedure. Please advise us if your stomach is sensitive to this medication.
6. **Important** - On the day of your surgical procedure, please:
 - * No makeup, cosmetics, or mascara
 - * No perfume, cologne, aftershave, or scents of any kind
 - * No spray deodorant
 - * Bathe and shampoo your hair thoroughly prior to your laser procedure.
 - * Wash off any residual makeup, cream, etc. from your eyelash area. Baby shampoo rubbed on your eyelashes/eyelids using your fingertips or a washcloth works very well.
 - * Do not wear any jewelry or other valuables to the procedure.
 - * Do not wear any ponytail holders or hair clips on the day of surgery.
 - * Do not use any eye drops on the day of your procedure until **after** the procedure.
 - * Do not wear a pull over shirt on the day of your procedure. Wear only shirts that button.
 - * The laser room is kept cool, so please dress appropriately.
 - * It is not recommended for children to be present on surgery day for the safety of all.
 - * The surgery room is open for viewing. You have the right to privacy, so please inform us if you are opposed to others viewing your procedure.
 - * Videotaping is not allowed due to privacy issues.
